Services

Improve your intercultural competence skills - enhance sensitivity for cultural diversity and get ready for working with other cultures:

- ⇒ **Culture-general Cross-cultural Training**
- ⇒ **Culture Communication Skills Seminars**
- ⇒ **Welcome to Germany** for international professionals and companies

Learn more about intercultural and psychological issues:

- ⇒ **Lectures in Psychology** suitable for example in the field of higher education

Reach professional and personal goals:

- ⇒ **Business Coaching** based on a humanistic view and a systemic, solution-oriented approach offered by a trained psychologist and experienced counselor.

Learn flexible and site-independent:

- ⇒ **E-training, E-seminars and Online-Coaching** provide executives, expatriates and international professionals with intercultural learning experiences that help to connect globally and to exchange cross-cultural experiences.

Services are offered in Germany and worldwide with focus on the United Arab Emirates.
